**Description**

Fresh in on consignment, Owners have docked, serviced and stored the pontoon with us since purchased, but have now purchased a cottage that came with a boat, so this pontoon needs to go now.... 2010 Premier 200 Sunsation pontoon equipped with a 50HP high thrust Yamaha outboard. Interior carpet and upholstery in quite good shape for the age, one notable vinyl blemish as shown in a close up picture... Privacy enclosure for changing etc. Engine hours will be read once we do the initial spring fire up.... Engine oil and gear oils changed in the fall as part of the winterizing. mooring cover is aging, and has a few patches, and a few other spots that could do with being patched.

NO trailer included, delivery can be arranged, a well as marina has new trailers for sale as well.
